

Hosted Window for our Swedish Partners

For the fourth year, we are delighted to be hosting a window - location 20 - by our friends at Rydals Museum in Sweden. Rydals museum was formerly a mill and in 2019 we formed a partnership with them to help them create their own Living Advent Calendar. We are in turn sending a window design, created by Cactus Crew (a Shipley-based Youth Enterprise group run by Sponge Tree as part of Ignite Yorkshire) to be included in their 2022 event.

Saltaire Living Advent Calendar

1 Dec 2022 - 1 Jan 2023

The Saltaire Living Advent Calendar has been a feature of our village since 2006. This year 15 houses, businesses and community buildings will be illuminated from 1st December (4pm - 10.30pm), so it is well worth a walk around the windows from the very beginning. From then on, new windows will be 'opened' each evening until 24th December, and all 56 remain lit until 1st January.

Join us strolling around the streets of Saltaire and enjoy each window as it opens. As always, each window will be shared on our social media accounts with snippets of information about the design and designers, and photographs will also be added to the interactive map at saltaireinspired.org.uk.
